Finding Community

Summer Seminar at Camp Caravan

June 22–July 1, 2018

Royalston, Massachusetts, USA

Work with Gurdjieff movements, themes, practical physical work, inner exercises, meditation, art, gardening, and shared meals. No previous experience required.

A community identifies itself by an understood mutuality of interests. But it lives and acts by the common virtues of trust, goodwill, forbearance, self-restraint, compassion and forgiveness.

Wendell Berry

At a certain point there are no leaders and no followers, only those who both question and listen.

A moment comes when exchange is indispensable, when we need to nourish one another with the fruits of our efforts.

Jeanne de Salzmann
