**Dear Friend,**

Welcome to the Camp Caravan 2013 Annual Fund letter. Thank you for your friendship and ongoing participation and support.

Our shared commitment and love for the Work creates a meaningful community for us all, and we are grateful.

**Thank you for your continued commitment**

As we continue our cycle of inner and outer work together, we receive new insights into the world, others, and ourselves.

Last year's Annual Fund was our most successful yet, with contributions from old friends and many from first-time donors.

Thank you for your encouragement, and for your support for rebuilding Camp Caravan.

Martin Brown

Movements Open Class at Camp Caravan, early evening (details to be announced)

With your help over the past year, we refinished the Auditorium floor (pictured here,) and completed the building's three entrance ramps and porch. We upgraded the Main House kitchen, including the installation of a new sink.

The Dormitory is now sheet-rocked and the interior painted, and we have made good progress with the building's electrical work. These improvements make it possible to include more people for events.

### Help us raise \$45,000 to prepare to serve current and future needs

We continue to focus on the practical development of the Camp Caravan property. Projects targeted for the Annual Fund this year include:

Renovated cabin and one needing improvements

- Finishing the Dormitory's interior flooring, wiring, and plumbing
- Installing new foundations and roofs for two cabins

**June 22-30** Camp Caravan Summer Seminar, "Prepare the Future" Jose Reyes and Katuska Ortega in residence.

Every gift makes a difference

Our new sink, part of the kitchen renovation, definitely improves the pot-washing experience.

- Installing new roofs for the Arts & Crafts building and the Small Movements Hall

**Join us for 2013 events and enjoy the fruits of your generosity**

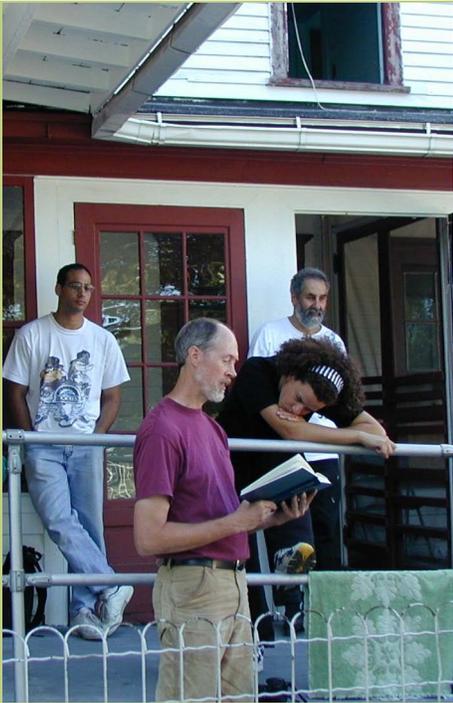

2013 events include the Camp Caravan Summer Seminar, *Preparing the Future*, a series of Movements programs, and a Guitar Circle seminar that is going on right now.
