*Being awake in this finer energy is
like being in the shower.
“In it” feels completely different.
Everything else—the “I” that
thinks, believes, feels this or that—
all identification. There is no you.
Either one is identified with the
body, or one is in the flow
—the true Self.
Michel de Salzmann*

*Please consider paying a little more
than you can comfortably afford to help
sustain Camp Caravan. Scholarships are
